Jason Johnson

Coach

Well it was just to cool being your T.A. even though we argued a lot. I'm really gonna miss you when I move. Hope your knee gets better real soon and lots of luck during football and Basketball Season.

Lisa Carlyles

Coach,
Thanks for a great year. This is the best I've ever done in math
Thanks again.

Jason Reimche

Coach Buzz Weidinger
Thanks for a great year. Keep in Sport Dynamics

Buzz U
How's it going
your a cool teac
See you in Footbal
And I won't cut
my hair

Ryan
PETERSEN

Coach
How it going. You
a cool teacher
when your here.
well see you at
the fishing hole
hopfully.

Randy
Ramirez

Hey Mr Weidinger I had fun in
yothe 5 hour math class. I also
had fun arguing with you. Maybe
next year you will have me again

Love
Cody Morris

Coach,

It was really nice having you as a teacher. Hope to see you around next year. I really hope that your knee will get better. Take care

[illegible]

Mr. Whidinger,

I had to get to know you for a teacher! But I'm sure you're going to be my next year too!! Hope you have a nice summer! Take care of your knee!!

Love,
Lisa Imalivica

Coach,

It was real nice knowing you this year. Hope to see you next year if I don't move away to Phx. Keep the knee working so you can kick some butt. Thanks for letting me sign your yearbook.

Ronnie Lee Johannie
CLASS OF "89"

R.N.

Hey Coach

I'm glad I got to be in your class this year. I really enjoyed it, and I actually think I learned something

Scott
Stone

Coach,

Don't get up-set about me & Lisa leaving. [redacted] were not [redacted] sure yet. anyway, its been having you yell at me <u>all</u> the time, but you are more of a friend than a teacher.

I'm really gonna miss ya if I move. I hope your knee gets better real soon & good luck next year with Football & Basketball.

Tajinita
-Sis-

Mr. W —

Well — I'll ALWAYS REMEMBER YOU CUZ YOU DIDNT GIVE ME A "C" WHEN I DESERVED IT!! NA — I'M JUST JOKEING!! I HOPE YOUR KNEE GETS BETTER! GOOD LUCK IN F-BALL AND BASKET-BALL! SEE YA NEXT YEAR AS A GREAT BIG SENIOR!

TAKE CARE —
SHERRY GRAHAM

Mr. Widenger, well thank you for teaching me Pre Algebra! hey maybe I'll get you next year too! well I'll try to stop smoking but I have been for 3 years. anywell ☮ Thank

Kinlan

Senior BBQ And Assembly

We'll Miss You, Class Of '87

This year the senior class of '87 started a new tradition at Flagstaff High School. It began with an assembly that was dedicated to the seniors and featured mostly senior performers. There were performances by four rock groups, many singers (including a standing ovation for Dorine Gardner), and the senior members of the 85-86 and 86-87 Spiritline, among many other great acts. The second new activity this year was the senior-faculty BBQ. It was a chance for the seniors to spend some "friend time" with the faculty.

Most of us girls have played together all of our high school years, making our team a family. Every player was truly concerned with the welfare of the team and its members. It was thepositive attitude of the team that made us such big winners. Just thinking how four years ago we played Mingus Union and struggled. This year we met them at state and gave them a real run for their money. We had an awesome team this year. What a mixture! The seniors were friends to all of us, some of the best we will ever have, and even the shy sophomores really showed us. As juniors we were the inbetween players. Not to shy, but not quite as experienced. We were a proud team. Maybe that says it all. Whether we were on the bench, or on the field, we were always intense. The coaches backed us all the way. Coach Carlin, Sheryl, Cynthia and Patti. Our Pals on and off the field. To a year that will never be forgotten. Good-bye seniors . . . thanks. We will miss you. To the juniors and Sophomores, we'll see you next year

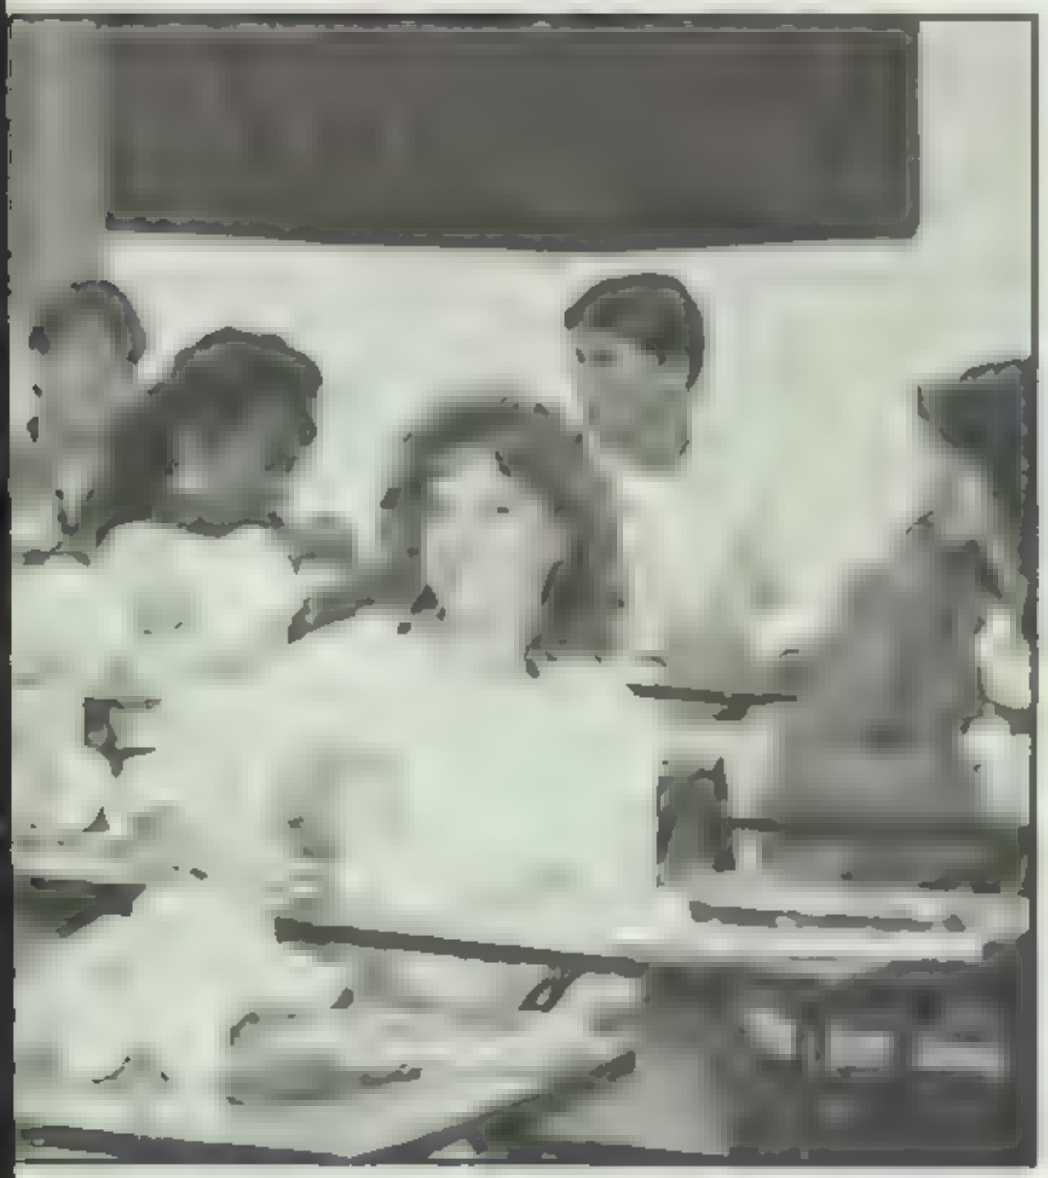
Scott Christensen, Adam Cordon, Steve Thompson



Decision classes are to provide information and activities to help students better understand themselves and the world around them. This particular unit was on parenting. Students were asked to be responsible for a baby for three days, 24 hours a day. At the end of the three days, they were to write a diary about their experience and how they felt about being a parent.

Mike Wood, Ramiro Fernandez, Jason Schorey, and James Padilla are just a few of the faces we see at school everyday. In addition to the many preps, jocks, heavy metalers, and cowboys, plus others, the punks not only represent a way of life but also a type of music as the preps and heavy metalers do. We have all surely heard of the Sex Pistols, Metallica, and not to mention the well-known Top 40. All of these groups add to the variety of life at Flagstaff High School

Seniors

We never want to realize
that we have to grow up.
And even though
it's not always for the better,
we must change- and we must grow.
The changes we have made in
these past three years,
have been essential in our lives.
The time we've spent together
has helped each one of us
become our own unique person.
These are the best years of our life
We've got to make the most of them.
And as we look back,
at all of our good times,
we realize what we had
We are all so different,
and yet we're all alike
What will happen to us?
Who will we even become at all?
Now, here we stand.
It's time for all of us
to go our separate ways.
The time went so quickly
It seems like only yesterday
we had forever
There was time to laugh,
time to cry
times of excitement,
times of disappointment.
There were times to win,
and times to lose
There was time to hurt,
and time to heal
Time to live, time to love,
but most of all, we had time together.
Our time.
The time we spent sharing our lives
will never be forgotten.
In our hearts we know
we'll always be the best.
We try to hold our special moments,
but before we know,
they've slipped away
Now they're only memories.
But it's all part of life
And soon we'll forget
what once seemed our special times.
But may we never forget,
The Class of 1987
Together Forever

One Big Family

Senior Unity

This year's Senior class was a very united one. They also all enjoyed attending Flagstaff High School. You can tell this by the way most of them are smiling in their pictures. Even in this candid photo of Steve Thompson and Kari Clark you can see the joy in their faces! They, of course, have many reasons to smile. Flag Hi has such great things as; the Eagles, our faculty, our seniors, drinking fountains, and parking lots. Our school is not only the best school in the city, but it is also the best in the state. Boy, I sure am running out of neato things to say about FHS, so I'm gonna quit writing about the almighty Eagles. FHS, what a great school !

The Spirit Of Flag High

Eagle Football

Athletics have always been a major part of the school life at Flagstaff High School. Sporting events are more than just social gatherings for Eagle fans. It's a time for the students and boosters of Flagstaff High to come together to cheer the players on to victory. Nothing is more exhilarating than an Eagle win! And once again, our Eagle football team had a [illegible].

No one is more proud than an Eagle. The spirit of Flagstaff High School shows in the entire student body. The Eagles have earned statewide respect for all of their outstanding athletic achievements. With so many successes and accomplishments under its belt, Flagstaff High School deserves to be proud.

Here, Glenn Kopp smiles proudly for us as he displays a photograph of himself in uniform (and classic form!). Glenn, a senior this year, was a wingback and a defensive back for the Eagles.

Something For Everyone

The Sciences

Flagstaff High School offers a total of seven science courses. Chemistry I and II, Biology I and II, Earth Science, Physics, and Advanced Placement Science. If a student intends to graduate, then he/she is required to successfully complete two of the courses. For some, this not as easy as it may seem. The sciences are definately confusing at first; but once understood, they can actually be amazing. Elements of chemistry and biology are everywhere around us — you know, it can be facinating to understand your environment rather than merely exist in it.

From personal experience, my science classes have not been ALL hard work. For some reason, all three of my science teachers at FHS have been especially personable (even a bit CRAZY at times). Their jokes and stories broke up the confusing lectures. A silly remark was appreciated once in a while, in that it gave my brain a short rest from Avagadro's hypothesis!!!

Senior Enthusiasm

Rob Evans and Rory Arnett sit in and participate in one of the many pep-assemblies held for Eagle sports

Football season got off to a great start as the seniors won the spirit banner at the first assembly. Many successful pep-assemblies followed this one. They included such activities as: Yelling contests between the three classes, variety shows, spirit cheers and other games and competitions. Most of the assemblies were put together and planned by Mrs. Van Dyke and a pep-assembly committee. In this photo Rob, affectionately known as "Peto" to his friends, cheers on the team in his shades, while Rory is cluelessly phasing out

Juniors

We weren't down at the bottom this year, nor at the top. The class of '88 filled the "Junior" spot on the FHS pecking order this 86-87 school year. We didn't have to tolerate any more "Squashmore" jokes, yet we still hadn't assumed the power of being a Senior — we're just the Juniors.

But this year has definitely been one of the best. We have been bound together with spirit and enthusiasm while facing each new challenge — more difficult curriculum requirements, stricter attendance policies and, of course, preparing for the future. And, for the most part, we are all on the road to success.

We stand together, work together and, most importantly, have fun together. You've got to admit — the class of '88 has made the most out of these years. That special "88 spirit" has grown stronger ever since we all came together so long ago in seventh grade.

Realizing that our Senior year is "it", we are all anticipating it with a certain enthusiasm. The Class of '88 is not through yet

Sophomores

The class of '89 has made it's breakthrough into FHS. We all know it's difficult to change schools, classes, teachers, and go from being the oldest to the youngest once again. But our Sophomore class adapted well and showed outstanding spirit and pride for FHS.

We've come such a long way in the four short years we've been together. The junior high peer pressure has been replaced with individuality and maturity. With so many new opportunities and privileges, we are becoming our own people — each of us forming goals for the future and taking a stance on our lives.

This year in the high school has definitely been different, but we've all basically changed for the better. There is still so much to learn, do and see in these next two years. This is only our beginning — and I know the best is yet to come.

We are loyal:
loyal to our studies,
loyal to our class,
and loyal to FHS.

EAGLE

Athletics

Sports — without them life at FHS would definitely be missing something. From cross country to football, our sports program offers something for everyone, and the opportunity for everyone to get involved.

The unity within each team leads to some very special bonds — friendships which cannot be described in words. Members of a team feel the joy of victory and the pains of defeat, while all the while they strive to be the best.

But the Eagle sports scene is not complete with the teams. The fans play an equally important role. One must not be a 'super-jock' to become involved in sports. Those enthusiastic Eagles who cheer from the sidelines promote the FHS spirit — and a different kind of togetherness: Unity as a school.

Determined teams + Devoted fans = EAGLE SPIRIT

One would not be complete without the other.

-Eagles are # 1!!!
-Eagles Jam, Man!!!

Live It Up!

Four State Championship banners hang from the wall in our gym, along with all the high achievements of brothers gone by. Just to be in the same school, and to be a part of that same program is something to be proud of. The time we've spent together during the 1986 football season, gave each one of us a feeling that couldn't be helped. That was the EAGLE FEELING. That feeling existed this year along with the same high goals, but what also existed this year, that is also present in everyday life, were obstacles to help us learn along the way. This year the Eagle family was faced with an important lesson. That lesson was to get up fighting, after being knocked down. And just as important as a state championship, we learned that lesson, and learned it well. Not once did we stay down, and we never will in the future. Now we must go our own ways, but because we're Eagles, nothing will ever break us in two. I love you all.

Love,
Chris "The Meat" Fielder # 53, # 80

The 1986 Eagle Football Season was a complete success. All the men who participated lived, loved, and learned the game of football from the beginning to the end. Forty-one young men climbed a big stepping stone in life, where success, and failure collide. We all looked at it like a fence. Climbing it was the task at hand; success lay on the other side. To all my friends and football brothers, I bid you farewell on this note: It's better to fail at a task that will ultimately succeed, than to succeed at a task that will ultimately fail

I love you all,
Joe Vitt # 23

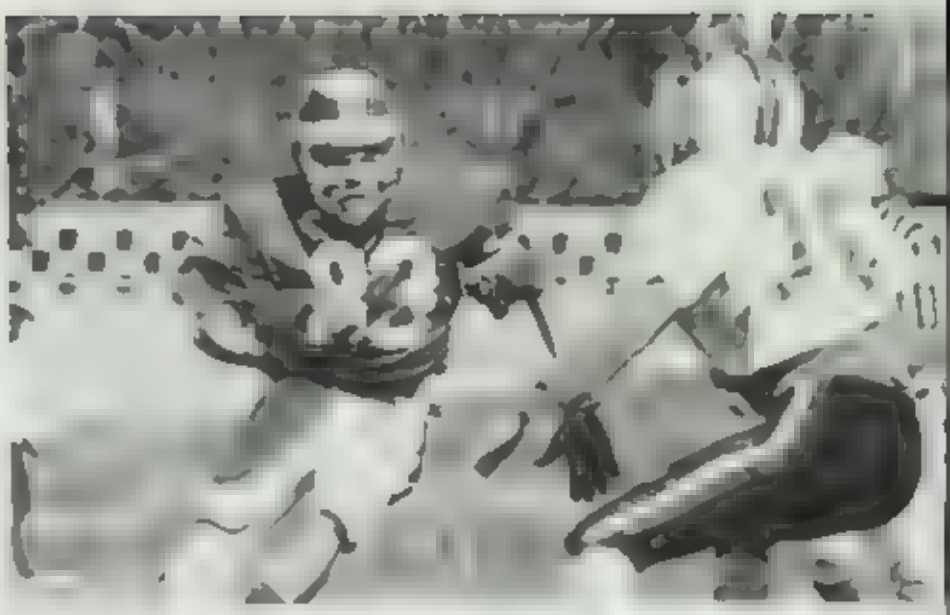
Eagle J.V. Football



The Flagstaff High School Junior Varsity football team played to a 2-6 season this year. Their wins came at the beginning against Snowflake, and at the end against Washington. The Eagle J.V. is a training and proving ground for players aspiring to make the Varsity squad next year. Six sophomores made the transition from J.V. to Varsity this season and gave needed talent and depth to a young varsity team.

Though our 1986-87 volleyball season was one of extreme transition and change; we made it through and grew as a team . . . and as individuals. We all learned what was expected of us, be it leadership, performance or mutual understanding of one another. Despite our losses, we gained something even greater, the friendship and support of nine other players. We hope the good times (long talks on bus rides, Beach Boy singalongs, Madamoiselle questionnaires, and fits of Herman Munster laughs) will always outshine the hard times when we think of the unusual season we spent together. We love you!

Eagles

When people from different walks of life come together there's not always harmony. That's not the case with us. We were 12 guys united as a family with "Mom" Keeping watch over us. During our four months together we became friends. Some of these friendships will never be forgotten. Each of us are unique but when our personalities were molded together the result was spectacular. We overcame injuries and always gave 110%, even when we were down we gave our best. We will miss our graduating players. All of us who are returning, remember our saying: "Don't mess with the Family." Cheers!
Chris, Joe, and Char

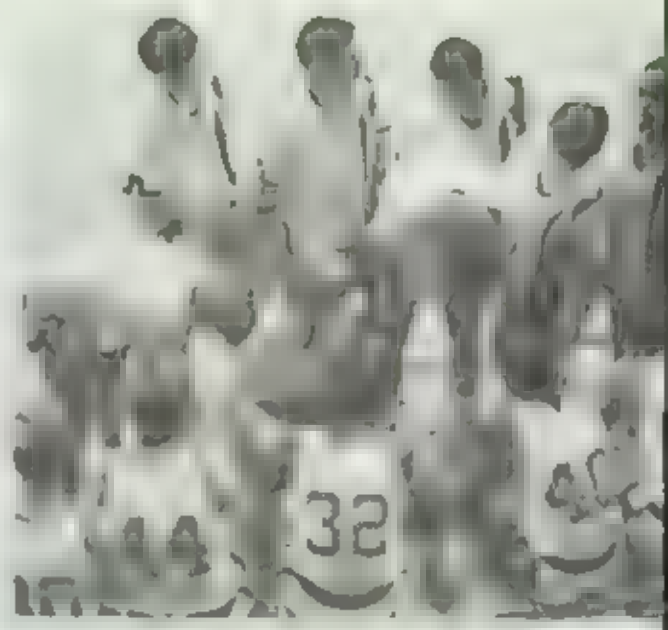
Junior Varsity Basketball



The purpose of Junior Varsity Basketball is to give players game experience and better prepare them to play Varsity Basketball the following year. The level of competition of the league we were in was very high and the adversity through injuries that the players were placed in forced the J.V. team to mature faster than most teams. The impressive part of this is that they met the challenge and surpassed expectations without complaint. As coach of this team, I was pleased to be associated with them and know they will be a success.

We entered our 86-87 season with a new coach, new players, and new hopes. It turned out to be nothing less than a success. We became closer than we ever dreamt possible and gained a respect for our coaches we didn't think we had in us. We owe much to our coaches and each other for a great season of growing sharing, and for the first time in a long time

Classes

You may, after years of schooling, ask yourself the question, "WHAT could possibly motivate a teacher???" Anyone can see that it must take a considerable amount of hard preparation work, not to mention patience, understanding and tolerance! We all know how entertaining it can be to drive a teacher absolutely NUTS

"Can I go to the bathroom?" — "WHAT page??" — "I'm totally lost, I don't understand!" — "WHAT?!? You said we could use notes on this test!!!" — "Will you grade us on a curve??" — "Can we go on a doughnut run today??" . . . A few of these lines sound familiar?

As a student, I just couldn't figure it out. What keeps these people going? I, for one, would have ripped every hair out of my head before second semester finally rolled around! So . . . I decided to investigate. What motivates you teachers?

- *"I love my subject area and I love teenagers." Mrs. Baron*
- *"I really like the students and feel I have a lot to offer them. (those who wish to listen!)" Mr. Bowling*
- *"I like working with the students and just being in the school, especially a high school." Mrs. Lorenz*
- *"Seeing my kids progress from one level to another." Mrs. Carlin*
- *"The end is in sight!!" Mr. Stone (student teacher/Chemistry)*
- *"June, July and August!" Mr. Lorents*

Ah ha! That's what it is — these teachers like us, the students, and they like working in the school, namely, FHS!

Science: It's Only Natural

Here at Flagstaff High School we have many great science programs. In the Biology Department the students are learning about nature and the natural habitat around Northern Arizona. These students are also learning to dissect and identify animals and their various organs. Biology students learn to distinguish between the plant and animal phyla.

Students in the Chemistry Department learn about the various elements and their family groups. These students do experiments using many chemicals. They learn to determine the gas laws and composition of elements using the periodic table.

In Earth Science students learn about the Earth's composition and structure. They are able to distinguish between the various rock types. They also study meteorology, astronomy, and oceanography.

Physics is the study of natural phenomena. This includes the study of motion, force, light, sound and electricity.

The Science Department has something to offer for everyone. Come and find out what we have to offer, you may be surprised!

History

The Social Studies-History department, when asked to write a paragraph about the department replied: "In keeping with the mood created by the Iranian scandal, we regretfully and respectfully plead the fifth amendment to preserve our constitutional rights."

English Department

This year the major difference in the English Department was the addition of Essential English. This class was designed to insure competency in the fundamentals of English mechanics, writing skills and literature. The class insures that high school graduates are competent in English.

This year FHS also had its first poetry club. Shakin' Popcorn live is sponsored by Mrs. Holland. It was started after students expressed an interest in a poetry club

There were many new ideas that were evolved into useful changes this year in our mighty math department. All of the math teachers had their input in these terrific metamorphoses.

This year, two new curriculums were used in the math department: a new Advanced Placement Calculus curriculum and a new Trigonometry/Pre-Calculus course.

Also, a program of cross-over credits providing math credit toward graduation requirements, for taking certain courses in industrial education was used.

Art & Music
Having Fun!

There once was a breed of people who wanted to acquire an education in the field of art. Somewhere along the line these people decided to teach. Art departments were born! Included in this type of people is N.A.U. grad Barbara Ann Vanderbeck, who is the head of our art department. The other half of the department is a guy named Tony Contreras; also a N.A.U. grad. Their goals this year are to foster self-expression and to have a good time doing it!

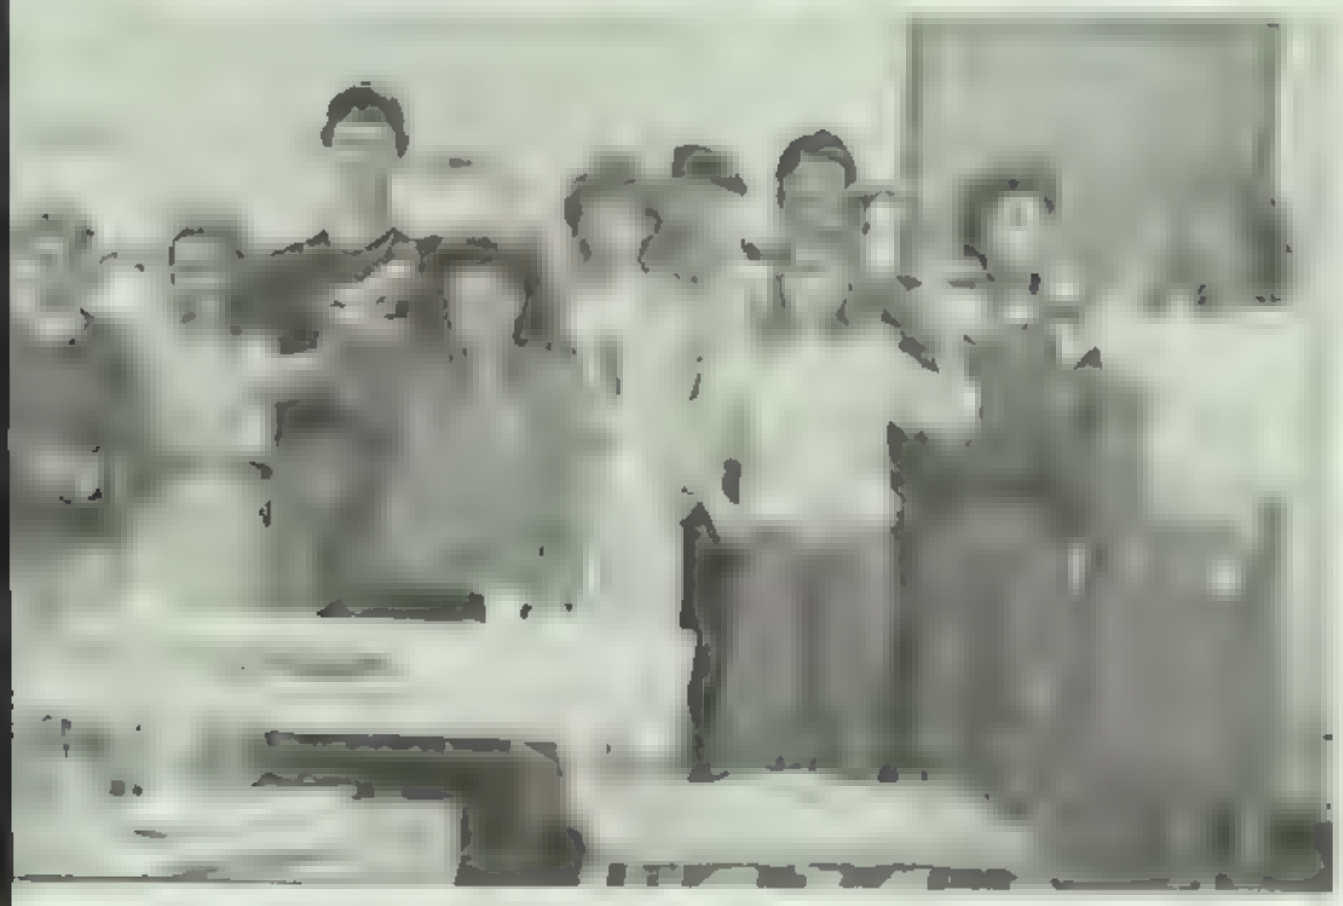
Co-Op Program

Co-op Programs are Vocational-Work Experience courses for Seniors who want to learn a skill while in high school. They go to school in the morning (½ day) and work in the afternoon for skill - credit - and pay The program includes courses in

1) Nursing assistant
2) HERO- Home Ec jobs
3) ICE- Industrial jobs
4) MDE- Sales jobs
5) COE- Office jobs

1) Nicole Collins 2) Mr. Compton 3) Venetia Wright 4) Dianne Fondren 5) HERO class 6) Mario Cabrera



Programming With Computers

The computer programming curriculum is one of the newest features being offered by F.H.S. This year the computer labs were equipped with new I.B.M Personal Computers, new software, and furniture. Courses were expanded and changed to the current offerings of Computer Awareness, Fortran, Cobal, Basic, Pascal and for the fall of 1987 Advanced Placement Pascal. The A.P. Pascal classes will give the students an opportunity to earn up to six credits at any of the three Universities in Arizona. During the last three years student enrollment in these courses has gone up by more than 50% at the high school level. The enrollment is expected to increase greatly in the future and further expansion is expected

Language

Flagstaff High School's language department offers French, German, and Spanish to the students.

The French classes help students to explore the French culture. They learn about France, as well as other Francophone countries. Students explore popular customs and traditions to make the language come to life. The French Club plans many extracurricular activities and enables FHS to host a student from France and send FHS students to France every year.

The German classes at Flagstaff High School are offered for five years. In each level, an emphasis is placed on learning to read, write, listen, and speak the language. The students learn dialogs, write conversations, play games, and read magazines. There is also a German Club that celebrates Oktoberfest, raises money, and donates to worthy causes.

There are five levels of Spanish taught here at FHS as well. Each level deals with grammar, verb tenses, and lots of vocabulary. Spanish classes also do fun activities when learning about Spanish culture and history, such as cooking. The students have even had opportunities to travel to Mazatlan, La Paz, and Puerto Vallarta, Mexico with the Spanish Club.

The people who teach P.E. at F.H.S. have many varied interests. Elk, deer and javalina do not stand a chance during hunting season with Vicki Rawlinson's rifle and Claire Harris' bow. Craig Holland shoots in the low 70's for his golf game and is an accomplished angler. Kate Carlin plays softball and competes in triathalons.

With such varied interests, students are offered a wide choice of activities in their P.E. classes

Resource

Pictured: Diane Dow, Kim Weever, Sheila Cordova, Mrs. Maddox, Chris Warren, Chuck

The Resource Program at F.H.S. is designed to help students who have problems related to their school performance. To qualify for help in the resource program students must have average or above intelligence and there must be a substantial gap between what they are able to do academically and what they are actually doing. Some students get resource help because their emotions get in the way of their learning or participating in a regular curriculum. Students spend part of each day with resource teachers and the rest with regular classes. In some cases students earn math credit, science credit, etc. in the resource class, in other cases they only receive tutorial help and study skills through the resource class.

Business Department

There's no room for monkey business in the Business Department at FHS. This year, the Flag High Business Department is gearing up to keep in stride with changes in todays world. The Adv. Accounting, Typing 1A, Typing II, and Voc. Office Procedures classes are being taught on computers using word processers and other software. Pascal and Fortran have been added since last year. IBM computers are being used in the Adv. Computer classes. FBLA, a national, state, and local organization for business students, is active here at FHS. The students develop leadership, a better understanding of American business enterprise, and encourage school loyalty and scholarship.

Organizations

At FHS, boy do we have the clubs! Over twenty-five different clubs—ranging from on-the-job programs such as C.O.E. and H.E.R.O. to specific-interest organizations such as Auto Club and Clay Club. At least one of these many clubs will suit an interest of yours.

C.O.E., H.E.R.O., D.E.C.A., I.C.E., and V.I.C.A. are all career-oriented. These programs allow students to attend school for half a day, then work out of school in the afternoon. Enrollment in these clubs is limited to seniors.

The three foreign language clubs give students in the French, German, or Spanish classes the opportunity to expand their studies beyond the classroom and into the culture of each corresponding country. Students participate in various fundraisers and use the profits for parties, potlucks, school and community service, and hopefully, to take a trip to France, Germany or Mexico!

Other clubs devote their fundraisers and activities to the benefit of the school. Still others revolve around specific interests: Chess Club, Pep Club, Soccer Club, etc.

Clubs give students an extra opportunity to get involved and promote to the general well-being of the school in general.

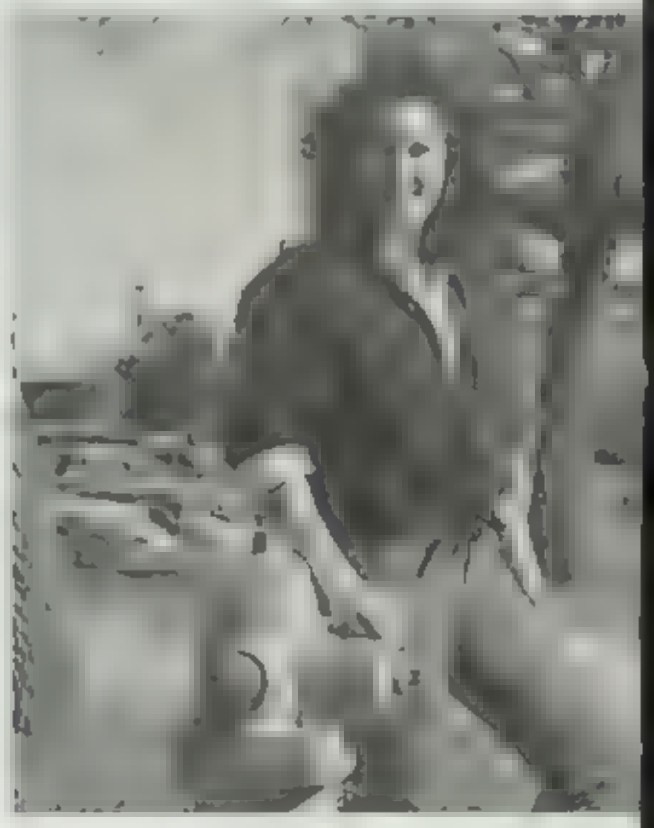
Green & Brown

1) Mr. Ray Felder, Advisor 2) Tina Royalty 3) Mary Grove 4) Shantel Baker



1) Green and Brown Staff: Mr. Felder, Manuel Delgado, Ali Armour, Kathy Epperson, Shantel Baker, Tina Royalty, Mary Grove, Sailor Breckenridge, James Padilla 2) James Padilla

At the beginning of the 1986-87 school year, the Green and Brown staff consisted of four people. While the advisor, Mr. Felder pondered whether or not to continue the paper, Mary, Shantel, Kathy, and James debated on their own and wondered if the Green and Brown would exist their Senior year.

After a few days of frustration, Tina walked into the classroom, bringing with her a new enthusiastic attitude. A week later Manuel joined the team and the newspaper staff was formed.

With the organizing qualities of Ali and Sailor's artistic ability, they produced their first paper on October 2. Amazingly, the paper was one of the best Flagstaff High School has ever seen and was praised as such by both students and the administration.

The Green and Brown staff is composed of people from different creeds and cliques, that have joined together to not only perform their duties but to share a strong bond as close friends.

Peer Counselors

Peer Counseling

Have you ever had a day when you wish you could crawl back in bed and start over? Have you ever had the urge to let out all of your feelings and problems but did not have anyone to talk to? Well, sooner or later everyone encounters each of these problems and to overcome them is a task in itself, but here at Flag High, we have a group of 21 special people who are called Peer Counselors, who attempt to make this task less difficult. This unique group, sponsored by Mrs. Carol Painter, consists of specially-trained students who apply their individual counseling skills to the high school level, junior high level, elementary level, and New Start program. Overall Peer Counselors want to achieve a positive attitude throughout Flagstaff High School and enable the faculty, administration, and student body to grow as one big family

Junior Varsity Cheer

Krisy Dethlefs

We were nine girls coming from various aspects of life. We all thought differently and acted differently, but we conquered those differences and came together as one — Junior Varsity Cheer. All the help and support we had from Mrs. Clark, Mrs. Wells, and Mrs. Van Dyke changed our outlook and helped us to become what we are. We would like to thank each of our sponsors and all of the student body. This year has been one of our best. We love you all!

— J.V. Cheer

As co-captains of this year's Spirit Line, we would like to thank the girls for a year that never will be forgotten. The 1986-87 year was truly a success. It was your dedication and desire to be the best that elevated the spirit at our school and proved to the rest of the state that the Eagles undoubtedly are the best. The friendship and memories have forever touched our hearts. We learned what hard work means but in return we learned what the thrill of victory means also. And the people that helped us make this year go so well, were our dedicated sponsors: Carol Clark, Donna Van Dyke, and Lois Wells. We'll never forget the smiles and tears that were spent with these terrific ladies.

Flag High Chorus:

Choraliers

The Flagstaff High School Choraliers is the top performing choir at F.H.S. There are 18 members in the group, all upperclassmen. They meet at 7:30 a.m. every morning to rehearse, which is not always an easy job!

Their repetoire includes a variety of musical styles including jazz, pop, madrigals, and spirituals. Often the Choraliers add choreography to their more up-beat tunes. Each year they tour a majority of Flagstaff schools promoting vocal music in Northern Arizona.

The F.H.S. Chorale is made up of 40 students who have been previously involved in musical activities. It is the largest choir in the school. To become a member of Chorale one must audition, and have some musical experience. It is recommended that one take one year of Mixed Choir before joining Chorale.

Mixed Choir is a beginning choir class that must be taken before joining Chorale or Choraliers. There is no need to audition to get into Mixed Choir.

Activities

F.H.S. hosts approximately five dances a year: three first semester and then two the second. First off, Student Council arranges some sort of "Get Acquainted" dance. This year it was a "Life's A Beach" dance and students were given the option of swimming or dancing as the pool was also open. Later, in the midst of football season, a "Homecoming Dance" was a part of the annual homecoming festivities. The "Sig Figs" provided music for this dance which was held at the Art Barn

It has become a tradition to combine our "Christmas Dance" with Coconino High School, since it has been such a huge success in past years. This year was no exception as the dance, held at CHS, had an overwhelming turnout

Last but not least, F.H.S. hosts the traditional MORP and PROM. MORP is the casual, girl-ask-guy dance which precedes and is exactly the opposite of PROM. PROM was held at SAC Ballroom and as usual, was a wonderful night

— This is one of many of the hilarious moments at the "Donkey Basketball" game. Unfortunately, the Coconino seniors won the tournament this year, which happened to be the first year these games were held

Is this our daughter Shawna?
Known as Shawna Ray
We don't remember growing older
When did she?

When did she get to be a beauty?
When did she grow to be so tall?
Wasn't it just yesterday
When she was very small?

She filled our hearts with laughter
With beauty like a dove
With the one darling Shawna
We give you all our love

Congratulations!
Love,
Mom,
Dad,
Sharli,
and
Chip!

You bring the sunshine,
Rachel Rain
Congratulations

Love,

Chris,
Set your horizons high!
Reach for a star!
Dare to discover the person you are!
Focus your vision beyond what you see
Give all your best,
be the best you can be!
Welcome adventure
and let your dreams soar,
Grow and discover! Imagine! Explore!
Follow your rainbows, look up and believe —
You'll find that no goal
is too hard to achieve!

We love you,
Dad & Mom

Keep coming back
For all they've got
and take it with a grin
when disappointment
trips you up
or failure barks your shin;
Keep coming back
and if at last
You lose the game of right
let those who whipped you
know at least they, too
have had a fight

-Grantland Rice
Love,

Dad, Mom

MARC W. TOWNSEND

From infant to a
young man we have
watched you grow
and have always
been proud of
you and your
achievements
Love,
Dad, Mom
Kathy and
Terry

Laurie and Vickie

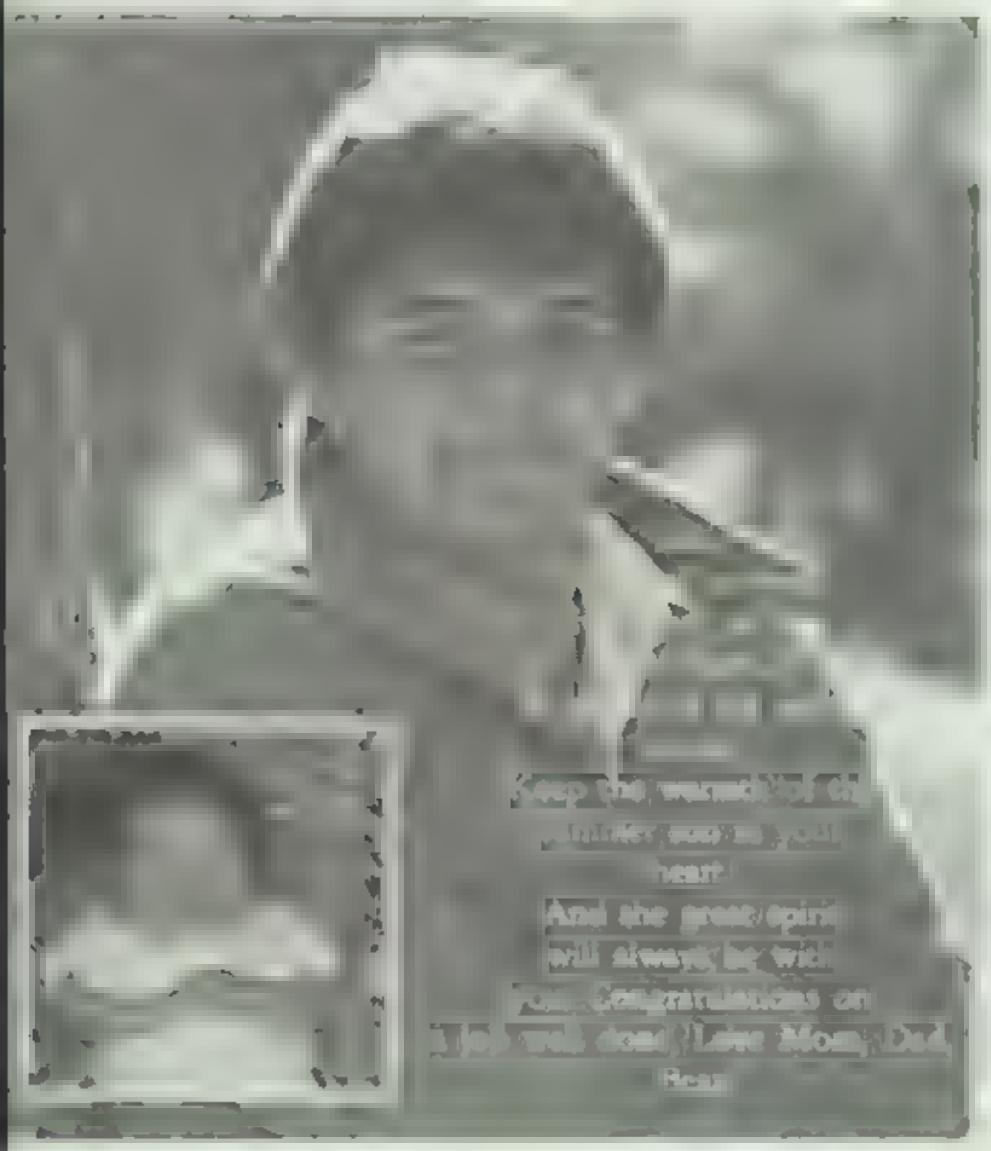
Since you were born you have been such beautiful additions to our family

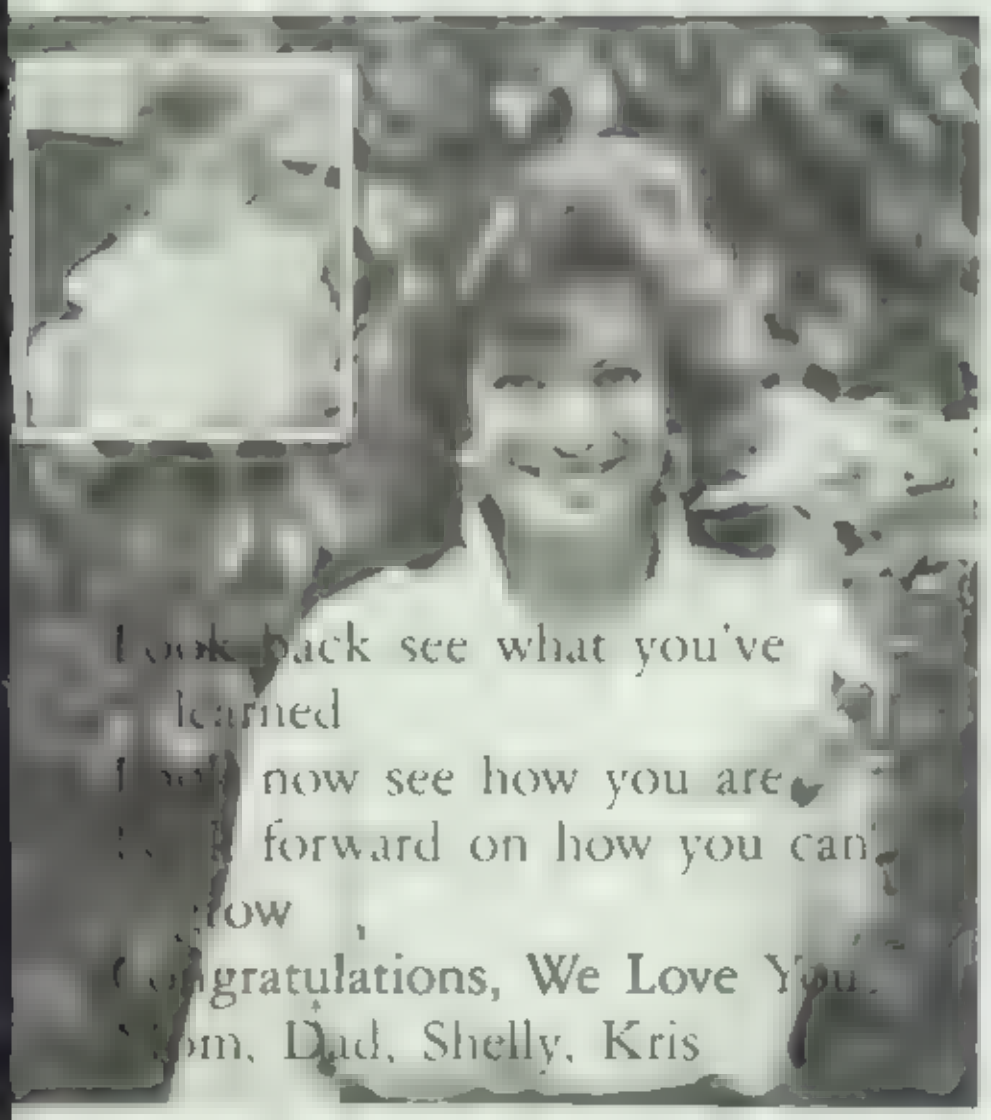
Now that you are growing up, we can see that you are beautiful additions to the world and we are so proud of you.

As we watch you doing things on your own, we know you will find happiness and success because we are confident in your abilities, your self-knowledge, your values.

We wish you all of the excitement, all the challenge, all the happiness life can hold

Love,
Mom and Dad





To our star-gazer
We love you very much!
Mom Dad Laurie, Debby
Andy And Muffin

And nobody said
that it wouldn't be hard
as we reach for the heavens
and soar towards the stars
but if you catch a
cloud
in a sky of
deep blue
then maybe, just
maybe
All your dreams
will come true
Becky Feldstein

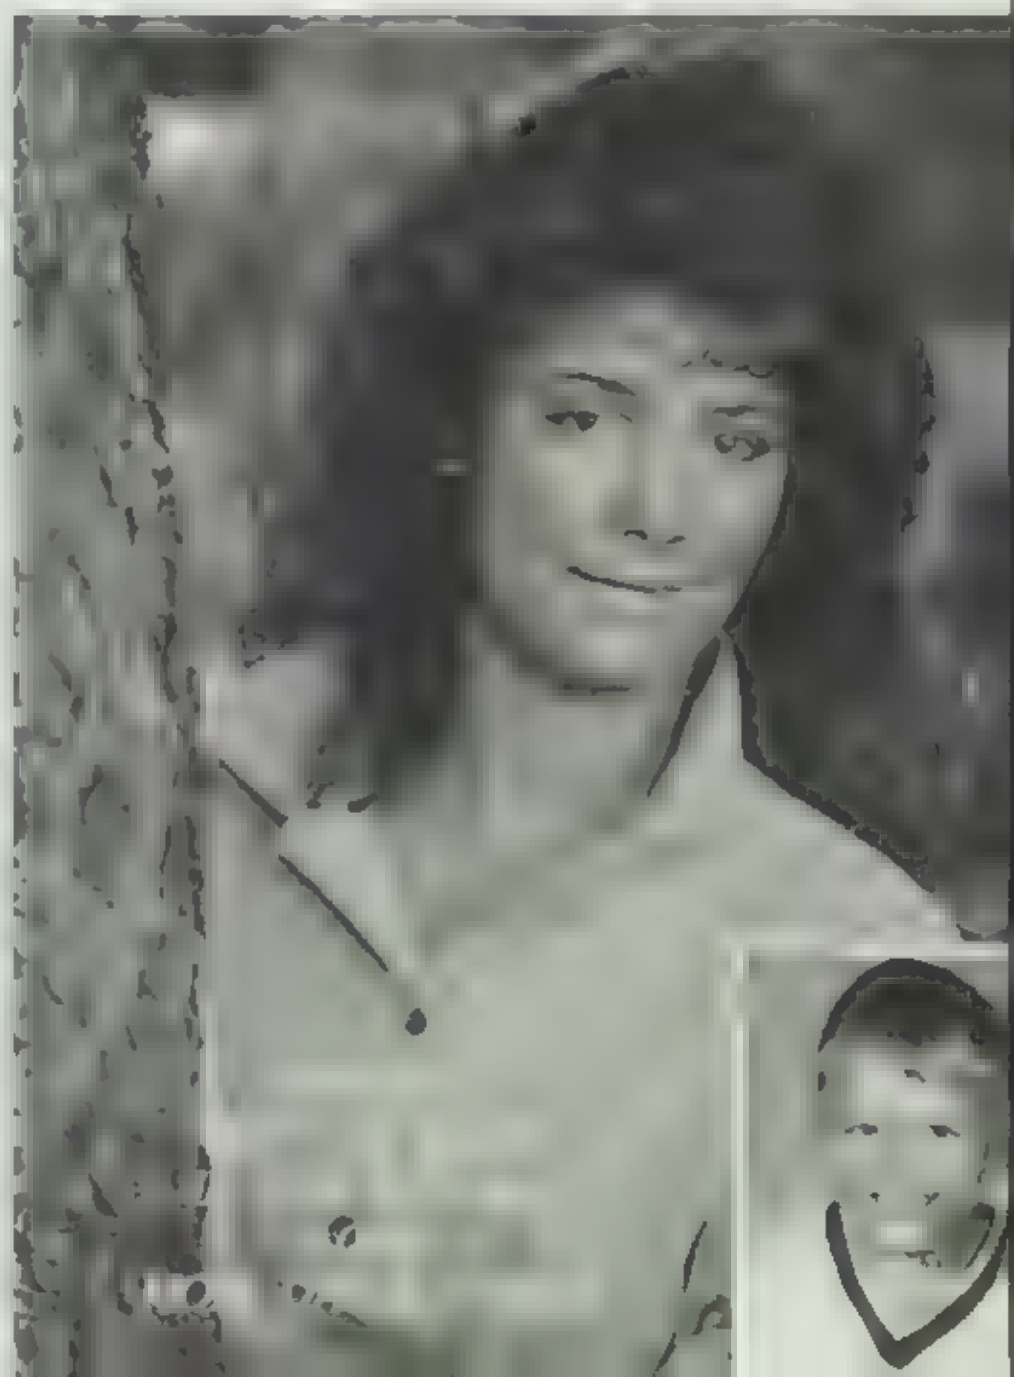
TO MY SENIOR FRIENDS:
GOOD LUCK AND THANKS.
MANUEL DELGADO

Far Away
When you sit empty hearted
Wishing you were not alone
When you shed a tear of loneliness
Wishing I was by your side
Whisper my name . . . once, silently
Whisper my name . . . twice, and concentrate
Before you know it I will be there to lend a hand
Before you ask for it I will give you love
When you don't expect it I will give you
A soft hug
It will all be in your mind
But in the far away distance I will
Hear your silent cry and will also
Be shedding a tear of loneliness wishing
I was by your side.

Leanne 87



We're with you all the way!

We spend most of our time making a great pizza—the freshest, best-tasting pizza in town. But we always have some time left to support a good cause. Best of luck!

Doctors of Optometry, P.C

CONGRATULATIONS
CLASS OF 1987

GRANDMA BUFFALO'S CHIPS

FLAGSTAFF MALL
4650 N. HWY 89
FLAGSTAFF, ARIZ
86001
(602) 526-4117

Scott and Mary

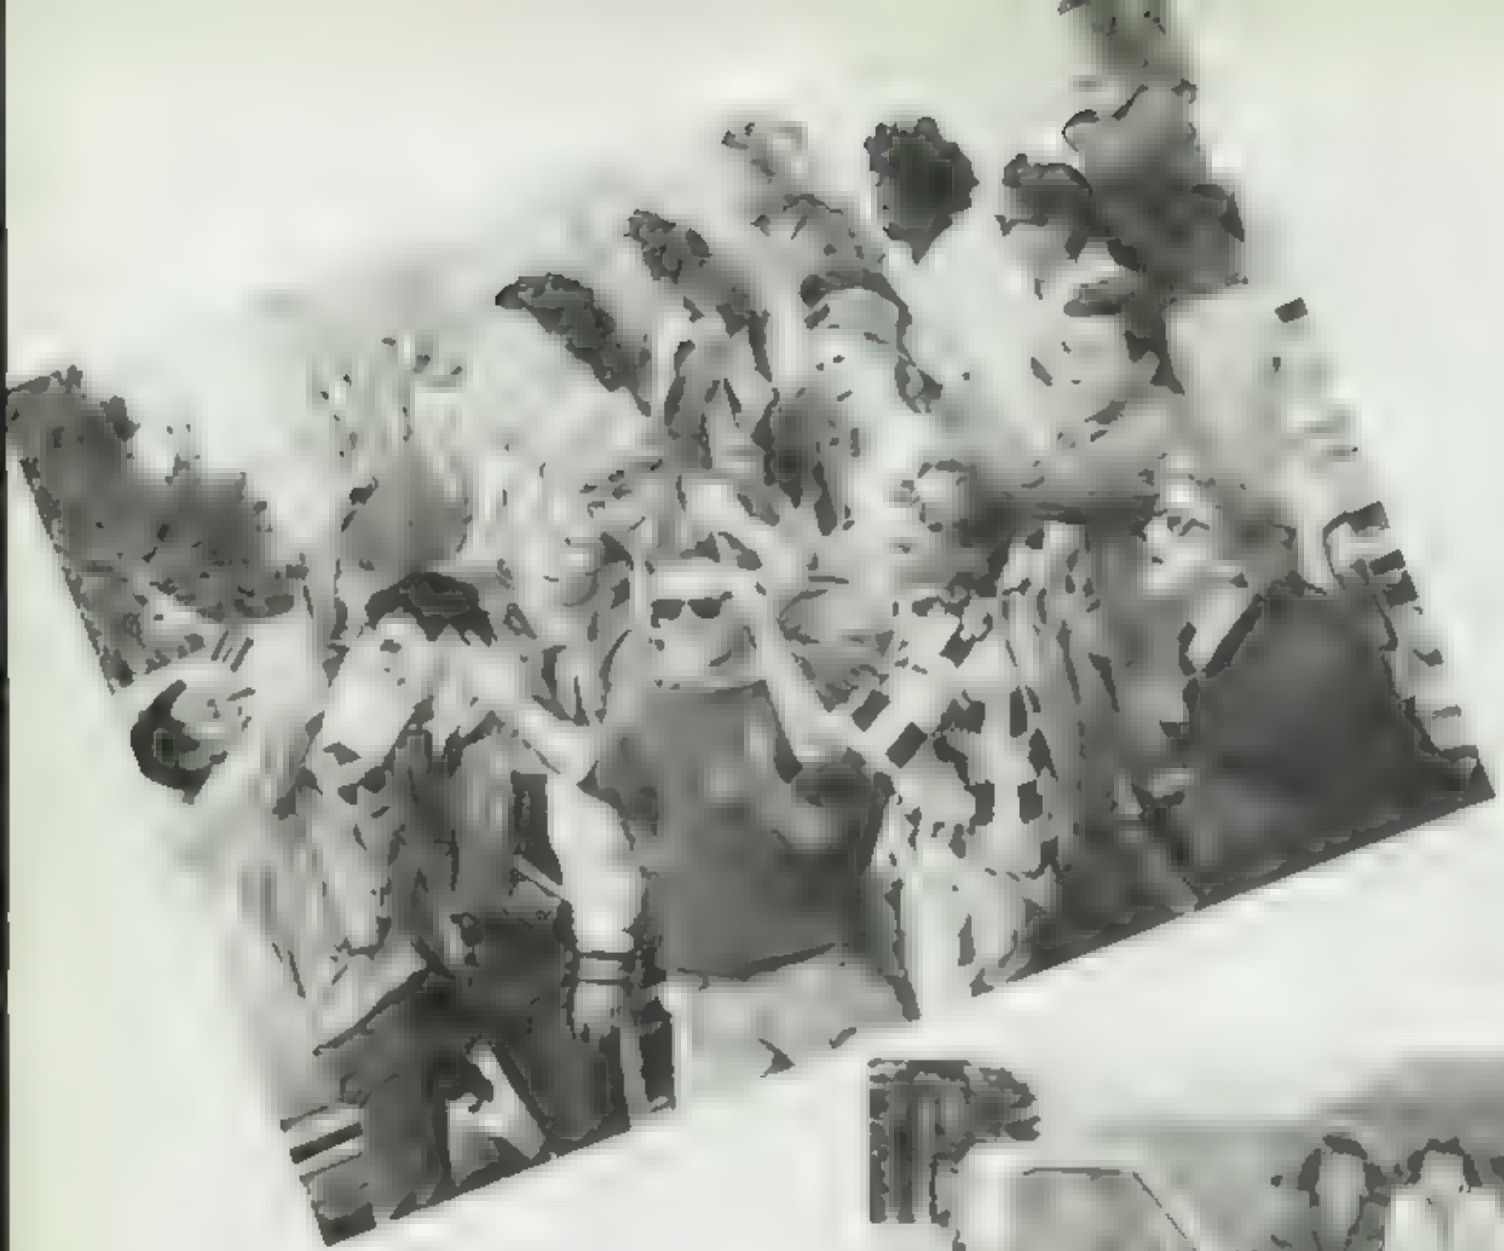
If you think you are beaten, you are
If you think you dare not, you don't
If you'd like to win, but think you can't
It's almost a cinch you won't.
If you think you'll lose, you're lost
For out in the world we find
Success begins with a fellow's will
It's all in the state of mind.

If you think you're outclassed, you are
You've got to think high to rise
You've got to be sure of yourself before
You can ever win a prize
Life's battles don't always go
To the stronger or faster man
But soon or late the man who wins
Is the one who thinks he can

The best to both of you
Love Mom and Ded Christensen

BLOOD SWEAT AND PARTIES WE MADE IT

Kathy, Dana, Robin, Anne, Beth, Leanne, Lori (second row), Delia, Vicky, Mrs. Garle, Casey, Jenny (bottom row), Rachel, Monica, Laura, and Mary



WHAT

Missions, Blue Dot, Morman B-Ball, ISO, Dogs, CC Inn, Pinheads, Roubal Party, Cortez High, Bottle Burial, Clark, Slept with Jarrod lately? Stay on your half of the seat, Shawn! Lisa, check the emergency brake! Anyone want to go hunting?! How about Lupe? How's that George Strait, Randy Travis, or Steve what about CC Revival?! Is it frosty in Dallas? Can you say beige? Eric Walker Harper, hey watched the Johnny Carson show? Green latrine VS Awesome Packer Aero-Space Wagon? How's that paddy wagon, boys? There are no pumpkins left on the block!! Hey Boo how's the jumper cables and shotgun? Joy, is your fuel injection overdrive working? Bader, check the oil! Dune and Dash dude! The Rona Mobile. Oh _____ that's my probation officer! Rachel can you say gasoline? I swear, is that half a Subaru still running? White Lincoln Continental & Orange War Wagon live on! Thanks B.C.!!

EVER!

The group of people pictured on these two pages have shared alot of good times together and want these memories to last forever. To Boo, Bader, Clark, Caple, Joy-Joy, Fudge, King P., Madonny, Kooper, Peteo, and Lisa-Poo, best of luck and may our friendships continue to last forever. Just remember the best is yet to come!

In Memory Of Jason Gray

Coach,

When I look back on the last four years I spent in high school, I can't think of anyone or anything more valuable than you! Your guidence has meant a lot to me, and it has meant a lot to my family. They really appreciate what you have done to and for me. My father has always been thrilled with the accomplishments I have made atheletically and academically. He rarely ever got chances to watch me, but I always told him if we won or lost (more wins than loses). He would always state "Well I guess you boys are doing what coach wants you to," or "Why didnt you do what coach told you to do?" They sort of relied on you to make me. You did make me, and I love you like a dad for that. There is no one who has ever pushed me so hard, and then make me want to go for more. You gave me one whole hell of a lot of confidence because of the level of coaching you approached us at. You say Coach Nasser was the best. In his time maybe, but you are better, and you always will be in my time. (The only reason I say that is because a Nasser never beat a Vitt at anything!) So you're doing something right. Just continue to, and I know you will. Once I get married, and I have children, you know who they'll play for, right? Just do your best, K? Keep in touch, and if you ever need anything from me or my family, takes us up on it, you will receive. Take care!

Love
Joe Vitt #10, 11, #14, 15 #32 #23 "Vitter"

Dear Mr Waldinger
Was I daydreaming
that here was this
Great Kingdom of
Bonne Health & a hope
Kanes been with Christ
Lord work with you
the Greatest - that
and I keep up
the Good Fight
Love
Cindy Blackburn

Kept in touch
Know what to write
Know what to say
Know that there
Know you care. Cin

Thank you for
the record
Know you like me, cuz
I hope you have a good
your graduation
face around.

Forward
Pass on
Have a nice
Summer

Ayrind than a
Leather! I'll be by
to see you next year and
so on! And I'll also be
by to collect my million
dollars and my cowtle
Thanks for a great year
Mr. Whidinger (Buz)

I love ya!

Paxarne
Daddy

(635-9204)

PS. Take care of that knee and don't push yourself!

Have a nice
new not weighing
& stay off of that
knee. Manute Bol

Have a nice Summer from
Milton Hekker

Coach,

Gosh I can't believe that I made it! You are a super neat guy & I'll miss you a lot when I'm gone! I'll just have to come by & see you!! Thank you everything! I enjoyed being a T.A. for you this year! Take super good care of yourself this year & in the years to come! And <u>don't</u> let those sophomores drive you crazy!! Stay just the way you are!! I love ya!

P.S. you better keep in touch! xoxo! Marielle

Coach (Buzz) 6/3/87

Hey! How's it going. I'm really gonna miss you coach. Even though you've had your moods! so have I! I'm glad you came back this last 3 weeks. You may say I've changed, but so have you. I wish you could have been here for the final today. But I'll be sure to stop by and say good-bye! You take good care of yourself and don't you ever forget me! I know you won't, just like I'll never forget you! You've been a great friend to me. In fact, I consider you more an a ____
